Summary of Legislation: (Amended) This bill provides that a school corporation's discipline policy must allow a student with an acute or chronic disease or medical condition to possess and self-administer medication that must be administered on an emergency basis while the student is on school grounds or off school grounds at a school activity, function, or event if the student's parent files an annual authorization that includes a written statement from the student's physician for the student to self-administer the medication.

It prohibits a school from sending medication home with a student. It specifies individuals to whom medication may be released. It allows a school to send medication home with a high school student if the student's parent has given written permission.

Effective Date: July 1, 2001.
